### **Workshop Manager**

COBE is looking for a Workshop Manager to lead and manage the everyday tasks of our workshop at our office in Nordhavn. Our current Workshop Manager has decided to go back to school and we are therefore looking for a new manager in charge of the workshop.

Your main areas of responsibility will be:

- Manage the building of presentation models
- Building models
- Employ model builders
- Introduce new employees to facilities and model making techniques
- Order stock
- Clean workshop
- Maintain equipment
- Maintain Lazer cutter
- Clean and maintain existing models in the office
- Research new techniques + materials to improve COBE's model building
- Research new software and hardware to improve COBE's model building

We are looking for a responsible and dedicated workshop manager – preferably an architect student who is taking a gap year. Our hopes are that you can stay with us for a minimum of one year.

#### Salary and working conditions

The working hours are between 9:00-15:00 from Monday – Friday with an average of 37 hours per week. Salary is negotiated individually according to experience and qualifications.

#### Application

Starting in the middle of August 2018. Please send your application to [job@cobe.dk](mailto:job@cobe.dk) – mark the application “Workshop Manager”. If you have any questions you are welcome to contact Maiken Høj +45 78746020.

We have ongoing interviews until we find the right candidate, so please do not hesitate to send us your application!

Looking forward to hearing from you.
